Hello GPN Band Family!

I wanted to take a moment to reach out and introduce myself. My name is Tom Torrento and I will be stepping into the role of director of bands this coming year. I am honored to be following in the footsteps of Mr. Dave Cleveland and join you in wishing him the absolute best in his retirement.

I have spent my career working to provide opportunities for students to grow as individuals through music, and look forward to providing new ideas and perspectives to take the Grosse Pointe Band Program to the next level!

Transition in life is always a difficult thing to navigate through and I assure you that while changes will occur over time, they will all be made with your absolute well being as individuals and as a band in mind.

I look forward to meeting you all in person in the upcoming months and can not wait to make music together! Please feel free to reach out should you have any questions regarding anything. Additionally, if you would like more information on my background, it can be found at the website listed below my contact information. Best wishes on a restful summer!

Musically,

Tom Torrento
